Re: Interim Reclamation Contract
M/021/001, M/021/005, M/021/008

Dear Mr. Gallegos:

On August 30, 1991, we submitted an Interim Reclamation Contract and accompanying surety agreements in connection with the above-referenced mining permits. Pursuant to our previous telephone conversations, I am enclosing with this letter revised pages containing the necessary modifications to the documents submitted on August 30, 1991.

The following documents are enclosed:

1. Revised pages 1 and 2 of the Interim Reclamation Contract (reflecting various changes).
2. Revised Exhibit A to the Interim Reclamation Contract (reflecting a more detailed legal description of the disturbed areas).
3. Revised Exhibit A to the Self Bonding and Indemnity Agreement (reflecting a more detailed legal description of the disturbed areas).
4. A photocopy of revised page 1 of the Surety Bond (Exhibit B-2) (reflecting the total number of disturbed acres).

Please let me know if these modifications are not adequate or if anything further is needed. Thank you for your assistance in this matter.

Very truly yours,
